

Thank You to All Our 2022 Supporters!

Our achievements are a direct result of your support – your generous donations, corporate matching funds you leveraged, grants you recommended from Donor-Advised Funds, fundraisers and awareness raising activities you conducted.

*We couldn't do it without **you!***

Zoo Support

In addition to the zoos and zoo-related organizations acknowledged above for their technical and financial support for GLT Conservation *in situ*, we are grateful to the 150 zoos around the world who participate in the GLT International Captive Breeding Program and the GLT International Studbook Keeper and Regional Coordinators who manage the *ex-situ* population of GLTs as insurance should a disaster occur with the wild population.

- International Studbook Keeper: Jennifer Mickelberg (Zoo Atlanta)
- Europe Regional Coordinator: Brian Carroll (Bristol Zoo)
- North America Regional Coordinator: Jennifer Mickelberg (Zoo Atlanta)
- Brazil Regional Coordinator: Mara Cristina Marques (São Paulo Zoo)
- Australia Regional Coordinator: Amanda Embury (Zoos Victoria)
